Trip Report

Grey-necked Rockfowl by Ying Du

Trip Report compiled by Tour Leader, David Hoddinott
Tour Summary

This tour was set up as a photographic adventure, and what a fun and fabulous adventure it turned out to be. I was a little anxious when I heard it was a photographic tour, as the bird-watching in Cameroon is challenging enough – let alone photographing birds. In the end, it worked out well for the key species the group was targeting. After arrival in Douala, we transferred to Edea, stopping at a roadside wetland en route. Here we had our first photographic opportunities; and although a little distant, we were able to get some reasonable photos of African Pygmy Goose and White-faced Whistling Duck. It was then time to head on to the Sanaga River for a two-night stay. Our time here was most productive, as we embarked on a boat trip to one of the river islands where we were afforded great photographic opportunities. Some of the species seen here included Woolly-necked Stork, African Harrier-Hawk, White-crowned Lapwing, Senegal Thick-knee, Grey Pratincole, African Skimmer, Blue-headed Coucal, African Pygmy Kingfisher, Preuss’s Cliff Swallow, Chattering Cisticola, Orange-cheeked Waxbill, Yellow-crowned Bishop and Pin-tailed Whydah. In particular, we were able to get fabulous photos of Grey Pratincole, African Skimmer and Preuss’s Cliff Swallow.

We also spent some time in the forest here, and had great sightings of African Pied Hornbill, White-thighed Hornbill, Grey-throated Barbet and Gabon Woodpecker; whilst African Thrush and Olive-bellied Sunbird showed well in our hotel gardens.

From Edea, we travelled back to Douala and took a flight to Ngaoundere in Northern Cameroon. On arrival, we transferred to a restaurant for a delicious buffet lunch. Photographing in the garden was very rewarding, and we found a superb Greyish Eagle-Owl which gave splendid views. Thereafter, we travelled to the great Ngaoundaba Ranch for a three-night stay. We enjoyed numerous sightings, many of which we managed to photograph during our stay. Some of our key sightings included Hartlaub’s Duck, flocks of Abdım’s Storks, adult Palmnut Vulture, Grasshopper and Red-necked Buzzards, confiding African Rail, African Wattled Lapwing, African Jacana, African Green Pigeon, spectacular White-crested Turaco, Blue Malkoha, Klaas’s and African Cuckoo, Standard-winged Nightjar, Purple, Abyssinian and Blue-bellied Rollers, Grey-headed and Blue-breasted Kingfishers, Green Wood Hoopoe, Fox Kestrel, Grey Kestrel, Senegal Parrot, White-crested Helmetshrike, Tropical Boubou, Brubru, Red-shouldered Cuckooshrike, Yellow-billed Shrike, Woodchat Shrike, African Golden Oriole, African Blue Flycatcher, Sun Lark, Mosque Swallow, Northern Crombec, Greater Swamp

Leaving Ngaoundaba, we continued north to Benoue National Park. En route we enjoyed a Red-throated Bee-eater nesting colony. The Benoue River was very dry but birding and photographing along it was very rewarding. Here we enjoyed a covey of Stone Partridge, Double-spurred Francolin, Hamerkop, Black-winged Kite, several majestic Bateleur, highly sought-after Egyptian Plover, Four-banded Sandgrouse, rare Adamawa Turtle Dove, Bruce’s Green Pigeon, Violet Turaco, African Scops Owl, Long-tailed Glossy Starling, Swamp Flycatcher, White-crowned Robin-Chat and Beautiful Sunbird. Real highlights were splendid photographic chances for Egyptian Plover and Violet Turaco, which gave great views.

From Benoue, we travelled north to Maroua. The following morning we explored the area around Mora, where we had splendid sightings. Some of the species seen include the elegant Scissor-tailed Kite, Dark Chanting Goshawk, Montagu’s Harrier, Black-headed Lapwing, a pair of Chestnut-bellied Sandgrouse, amazing Golden Nightjar, Green Bee-eater, Vieillot’s Barbet, Black Scrub Robin and Chestnut-bellied Starling. A real highlight here was fantastic views of the stunning Golden Nightjar.

From Mora, we made our way back to Maroua in order to catch our return flight (which had been brought forward) to Douala. A lengthy delay meant we only got to Douala at midnight and then to our hotel in Buea in the wee hours of the morning. Still, being a day ahead of schedule meant that we could relax and have time to enjoy the Limbe Botanical Gardens. Here we found a lovely male Diederik Cuckoo, Black-and-white Shrike-Flycatcher, Rufous-vented Paradise Flycatcher, Cassin’s Flycatcher, Reichenbach’s, Green-headed and Green-throated Sunbirds, Pale-fronted Nigrita and Western Bluebill. The latter two species showed particularly well.

The next day, we went up Mount Cameroon with a full suite of porters to help us with all of the photographic gear. Unfortunately, the weather was against us and very misty and rainy. We did, however, find Black Sparrowhawk, Western Tinkerbird, a pair of Green-breasted Bushshrike, Petit’s Cuckoo-shrike, Mackinnon’s Shrike, Green Longtail, African Hill Babbler, Mountain Robin-Chat and Oriole Finch.
The following morning, we headed off to Mount Kupe for a three-night stay. The birding here was superb and we noted Ayres’s and Cassin’s Hawk-Eagles, magnificent Guinea Turaco which after a concerted effort put on a great show, resplendent African Emerald Cuckoo gave awesome views, Black Cuckoo, stunning Black Bee-eaters nearby, a suite of barbets – including Naked-faced – Speckled, Red-rumped, Yellow-throated and Yellow-rumped Tinkerbirds, Yellow-spotted and Yellow-billed Barbets, Yellow-crested Woodpecker, tiny African Piculet, Green-backed Woodpecker, Bocage’s Bushshrike, Purple-throated Cuckoo-shrike, Black-winged Oriole, Bates’s Paradise Flycatcher, Golden and Spotted Greenbuls, Tit Hylia – Africa’s smallest bird – Little Rush Warbler, Banded Prinia, superb Black-capped Apalis, Rufous-crowned Eremomela, and Yellow-footed and Dusky-blue Flycatchers.

Leaving Mount Kupe, we travelled to the Bamenda highlands in search of one of the key species for the trip, the magnificent and endangered Bannerman’s Turaco. Our time here was most enjoyable, with great birding in a comfortable climate. Highlights during our time in the forest patches included Tullberg’s and Elliot’s Woodpeckers, endemic Banded Wattle-eye, Yellow-breasted Boubou, White-bellied Crested Flycatcher, White-bellied Tit, Cameroon Greenbul, Bangwa Forest Warbler, Pectoral-patch Cisticola, Black-collared and Black-throated Apalises, Neumann’s Starling, White-crowned Cliff Chat, Orange-tufted Sunbird, Brown-capped Weaver and Thick-billed Seedeeater. We spent a great deal of time trying to get good photos of the turaco, and it wasn’t until the very end that we were rewarded with a fabulous sighting and good photographic opportunities.

From Bamenda, we travelled down to Edea and then continued on to Campo Maan National Park for a three-night stay. We had many wonderful sightings here, and some of the highlights included Blue-headed Wood Dove, numerous Great Blue Turaco, Yellow-billed Turaco, rare Yellow-throated Cuckoo, Red-billed Dwarf Hornbill, Piping Hornbill, Black-casqued Hornbill, Black Dwarf Hornbill, Brown-eared Woodpecker, Grey Parrot, stunning Blue Cuckoo-shrike, amazing Grey-necked Rockfowl, Purple-headed Starling, Sooty Flycatcher, Blue-throated Brown and Superb Sunbirds and Crested Malimbe. Our rockfowl sightings were amazing and everyone was able to get some great photos.

On our return trip to Edea, we notched up a splendid Chocolate-backed Kingfisher and a pair of White-bibbed Swallow. Sadly, our wonderful photographic adventure drew to a close and we made our way to the airport in Douala to catch our international flights home.
And so ended another wonderful adventure! Thanks must go to a wonderful group of enthusiastic and fun participants, as well as a superb ground operations team. I am very much looking forward to travelling with you all again!

Annotated List of species recorded

Note: Number in brackets ( ) indicate number of days on the tour the species was recorded.
List powered through the report generator of our partner iGoTerra.

Birds (351 in total: 333 seen, 18 heard)

Status codes: E = Endemic, NE = Near-endemic, I = Introduced
IUCN codes: CR = Critically endangered, EN = Endangered, VU = Vulnerable, EW = Extinct in the Wild, NT = Near Threatened, DD = Data Deficient

(3) 2 Mt Kupé 20.3, 2 Mt Kupé 22.3 and 2 Campo Maan NP 28.3.

**Western Tinkerbird**  
Pogoniulus coryphaea coryphaea

(1) 1 Mt Cameroon 19.3.

**Red-rumped Tinkerbird**  
Pogoniulus atroflavus

(2) 1 Sanaga River 11.3 and 1 Mt Kupé 21.3.

**Yellow-throated Tinkerbird**  
Pogoniulus subsulphureus flavimentum

(2) 1 Mt Kupé 20.3 and 2 Campo Maan NP 28.3.

**Yellow-rumped Tinkerbird**  
Pogoniulus bilineatus leucolaimus

(4) 1 Ngaoundaba Ranch 13.3, 2 Mt Kupé 20.3, 2 Mt Kupé 22.3 and 2 Campo Maan NP 28.3.

**Yellow-fronted Tinkerbird**  
Pogoniulus chrysoconus chrysoconus

(2) 1 Ngaoundaba Ranch 12.3 and 1 Ngaoundaba Ranch 13.3.

**Yellow-spotted Barbet**  
Buccanodon duchaillui

(1) 2 Mt Kupé 20.3.

**Hairy-breasted Barbet**  
Tricholaema hirsuta

(2) 1 heard Mt Kupé 21.3 and 1 heard Mt Kupé 22.3.

**Veillot's Barbet**  
Lybius vieilloti

(1) 3 Mora 17.3.

**Double-toothed Barbet**  
Lybius bidentatus bidentatus

(1) 2 Ngaoundaba Ranch 12.3.

**Bearded Barbet**  
Lybius dubius

(1) 2 Bénoué NP 16.3.

**Yellow-billed Barbet**  
Trachyphonus purpuratus purpuratus

(2) 2 Mt Kupé 21.3 and 1 heard Mt Kupé 22.3.

---

### Honeyguides *Indicatoridae*

**Least Honeyguide**  
Indicator exilis exilis

(1) 1 Sanaga River 11.3.

**Thick-billed Honeyguide**  
Indicator conirostris conirostris

(1) 1 Mt Kupé 21.3.

**Greater Honeyguide**  
Indicator indicator

(1) 2 Ngaoundaba Ranch 13.3.

---

### Woodpeckers *Picidae*

**African Piculet**  
Sasia africana

(1) 2 Mt Kupé 22.3.

**Green-backed Woodpecker**  
Campethera cailliautii permista
(1) 1 Mt Kupé 22.3.

**Tullberg's Woodpecker**
(1) 1 Bamenda Highlands 25.3.

**Campethera tullbergi tullbergi**

**Brown-eared Woodpecker**
(1) 1 Campo Maan NP 29.3.

**Campethera caroli caroli**

**Yellow-crested Woodpecker**
(2) 1 Mt Kupé 20.3 and 1 Mt Kupé 21.3.

**Chloropicus xantholophus**

**Cardinal Woodpecker**
(2) 1 Ngaoundaba Ranch 12.3 and 1 Limbé 18.3.

**Dendropicos fusescens sharpii**

**Gabon Woodpecker**
(2) 2 Sanaga River 11.3 and 2 Mt Kupé 22.3.

**Dendropicos gabonensis**

**Elliot's Woodpecker**
(1) 2 Bamenda Highlands 25.3.

**Dendropicos elliottii**

**African Grey Woodpecker**
(1) 2 Ngaoundaba Ranch 14.3.

**Dendropicos goertae**

---

**Falcons and Caracaras *Falconidae***

**Common Kestrel**
(1) 1 Ngaoundaba Ranch 12.3.

**Falco tinnunculus**

**Fox Kestrel**
(2) 1 Ngaoundaba Ranch 13.3 and 1 Bamenda Highlands 25.3.

**Falco alopex**

**Grey Kestrel**
(1) 3 Ngaoundaba Ranch 12.3.

**Falco ardosiacus**

---

**African & New World Parrots *Psittacidae***

**Grey Parrot (NT)**
(3) 6 Sanaga River 11.3, 10 Campo Maan NP 28.3 and 10 Campo Maan NP 29.3.

**Psittacus erithacus**

**Senegal Parrot**
(1) 2 Ngaoundaba Ranch 14.3.

**Poicephalus senegalus senegalus**

---

**Old World Parrots *Psittaculidae***

**Red-headed Lovebird**
(2) 1 Ngaoundaba Ranch 12.3 and 5 Ngaoundaba Ranch 13.3.

**Agapornis pullarius pullarius**

---

**Wattle-eyes, Batises *Platysteiridae***

**Black-and-white Shrike-Flycatcher**
(2) 1 Limbé 18.3 and 2 Mt Kupé 22.3.

**Bias musicus musicus**

**Senegal Batis**
(1) 2 Ngaoundaba Ranch 14.3.

**Batis senegalensis**

**Fernando Po Batis**
(1) 2 Mt Kupé 22.3.

**Batis poensis occulta**

**Chestnut Wattle-eye**
(1) 2 Mt Kupé 21.3.

**Platysteira castanea**

**Banded Wattle-eye (EN)**
(1) 2 Bamenda Highlands 25.3.

**Platysteira laticincta**

**Brown-throated Wattle-eye**
(2) 1 Ngaoundaba Ranch 12.3 and 1 Bamenda Highlands 25.3.

**Platysteira cyanea cyanea**
Helmetsrikes and Allies *Prionopidae*

White-crested Helmetshrike
(2) 6 Ngaoundaba Ranch 13.3 and 5 Ngaoundaba Ranch 14.3.
Red-billed Helmetshrike
(1) 3 Campo Maan NP 28.3.

Bushshrikes and Allies *Malaconotidae*

Fiery-breasted Bushshrike
(1) 1 heard Mt Kupé 22.3.
Green-breasted Bushshrike (VU)
(1) 2 Mt Cameroon 19.3.
Bocage's Bushshrike
(2) 1 Mt Kupé 21.3 and 1 Mt Kupé 22.3.
Pink-footed Puffback
(1) 2 Mt Kupé 22.3.
Red-eyed Puffback
(1) 2 Mt Kupé 22.3.
Lühder's Bushshrike
(2) 1 heard Mt Kupé 20.3 and 1 heard Mt Kupé 21.3.

Tropical Boubou
(1) 4 Ngaoundaba Ranch 12.3.
Black-headed Gonolek
(1) 2 Ngaoundaba Ranch 12.3.
Yellow-breasted Boubou
(1) 6 Bamenda Highlands 25.3.

Brubru
(1) 1 Ngaoundaba Ranch 14.3.

Cuckoo-shrikes *Campephagidae*

White-breasted Cuckooshrike
(1) 1 Ngaoundaba Ranch 14.3.
Blue Cuckooshrike
(1) 2 Campo Maan NP 28.3.
Red-shouldered Cuckooshrike
(1) 1 Ngaoundaba Ranch 14.3.
Petit's Cuckooshrike
(2) 1 Mt Cameroon 19.3 and 1 Mt Kupé 22.3.
Purple-throated Cuckooshrike
(1) 2 Mt Kupé 22.3.

Shrikes *Laniidae*

Yellow-billed Shrike
(2) 1 Ngaoundaba Ranch 12.3 and 2 Ngaoundaba Ranch 14.3.
Mackinnon's Shrike
(1) 1 Mt Cameroon 20.3.

Northern Fiscal
(1) 3 Nyasoso to Bamenda 24.3.

Woodchat Shrike
(1) 1 Mt Kupé 22.3.

---
